**The Pyramid Stands for  
Quality, Service and You!**

**Midwest Technical Inspections, Inc.** is a regional 21-state Insurance Inspection / Safety and Audit company. As Midwest Technical Inspections we inspect commercial and residential properties on behalf of 150+ insurance companies for property and casualty coverages; submitting our findings to them on hazards and improvements to reduce potential loss. Our function is to be a proactive step in developing information to assist in averting losses and claims. Our Premium Audit area provides critical classification of insurance risks for a particular operation in order to correctly rate insurance premiums. Assisting or acting as their sole Safety / Loss Control and Auditing source, we provide the data necessary for effective underwriting of their insurance risks.
